TOASTMASTERS INTERNATIONAL®

Greetings,

I am writing on behalf of Michael G. Macdonald. As a member of Toastmasters International, Toastmaster Macdonald has demonstrated a high level of commitment by participating in the Toastmasters Pathways learning experience and has completed Level 3 of 5 on the Presentation Mastery path.

The learning on the Presentation Mastery path focuses on public speaking. The projects completed include information about understanding communication styles and honing the skills needed to be an effective public speaker. In completing this level of achievement, the member fulfilled other roles including evaluating others, volunteering to lead Toastmasters meetings and facilitating group discussion.

Completing these requirements involved several months of study and activity. It also demonstrates tremendous self-motivation and a strong interest in self-improvement. Toastmaster Macdonald has shown a commitment to excellence in communication and leadership.

I am pleased to share Toastmaster Macdonald's accomplishments with you.

Sincerely,

Daniel Rex
